BARANA COMPANY PROFILE

Barana International Ltd. as a professional tile manufacturer and an experienced exporter is located in one of the most prosperous cities in China – Shenzhen. We're specializing in production and sale of polished tile, glazed porcelain tile and ceramic floor tile, wall tile etc. Our factories located in Foshan, Qingdao, Fujian and other production bases. We have run ceramic and building materials about 10 years. Our tiles featured low water absorption rate, good smoothness, tight size tolerance, bright luster as well as stable physical and chemical properties.

With more than 500 team members to date, Barana came a long way since 2004 when we began our first production in our Foshan factory located in Nanzhuang city. Our products have been sold to well over 50 countries in correspondence with our commitment to offer the right products with the right quality, right price and right distribution. From being a pioneer and market leader in tiles. We continue our growth by setting up other manufacturing plants in Fuzhou (2005) and Xiamen (2006) and our own branch offices in Foshan (2008), Shenzhen, Xiamen and Qingdao (2010).

Making the best tiles at competitive prices for our customers is our long-lasting spirit when we are doing business.

For everlasting and diligent efforts in technique and design innovation, we create and supply the best tiles to satisfy our valuable customers from many areas all over the world.

Each of our tile bases is bigger than 100000sqm; tile volume is more than 20000sqm each tiles. Most of our regular tiles are keep in stock for quick delivery, such as polished tile(soluble salt tile, super white tile, super black tile, double loading tile, etc.) and rustic porcelain tile. We ship more than hundreds container each month to all over the world.
