Barana International Ltd is consisted of Barana International Ltd, HK Barana Commerce Limited, Espacios Modernos (PANAMA) and Dee's Trading (JAMAICA) . Our company mainly runs tiles and other building materials. Our factories located in Foshan ,Qingdao, Fujian and other production bases. We have run Ceramic and building materials about 10 years. The quality best, customer foremost has always been our aim.

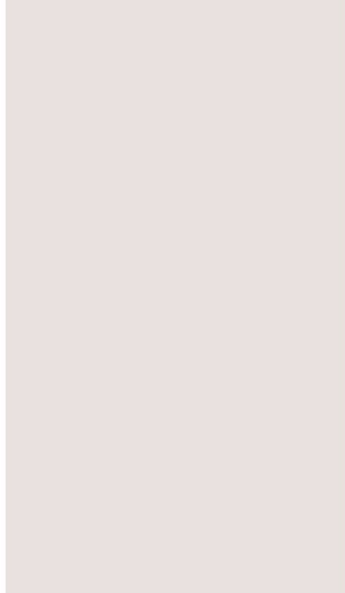

Our quality requirement is higher than National and International Internal Controlling Standard of Enterprise. All the products have passed China Compulsory Certification and reached National Standard GB/T6566-2001 in Limit of Radionuclides in Building Materials – Part A and ISO9001, CE CERTIFICATE

Because of strict quality control system, our product have already sale to more than 30 countries, including Asia, Europe, America, Africa and Australia

Tile

Barana ceramic as a professional tiles manufacturer specializing in production and sale of polished tile, glazed porcelain tile and ceramic floor tile, wall tile ect. Our products featured low water absorption rate, good smoothness, tight size tolerance, bright luster as well as stable physical and chemical properties, leading the new porcelain and ceramics consuming trend with elegant design styles and fashion patterns.

Each of our production basis is bigger than 100000sqm, production volume is more than 200000sqm each one. Most of our regular production are keep in stock for quick delivery, such as Polished Tile( Soluble salt, Super white, super black, double loading ect) and Rustic Porcelain tile. We ship more than hundreds container each month to all over the world
